

# Mahindra Manulife **Business Cycle Fund**

(An open ended equity scheme following business cycles based investing theme)

## Investment Objective

The Scheme shall seek to generate long term capital appreciation by investing predominantly in equity and equity related securities with a focus on identifying and investing in business cycles through dynamic allocation between various sectors and stocks at different stages of business cycles in the economy. However, there is no assurance that the objective of the Scheme will be realized.

### **Fund Features**

Business Cycle fund aims to identify and invest in select sectors based on the market and economic dynamics.

Skilled fund managers can strategically rotate the portfolio`s sectoral allocation to capture outperformance during specific phases of the business cycle.

The Funds are designed to be flexible and adaptive to changing economic & market conditions.

Investing in a business cycle fund allows investors to participate in the growth potential of different ectors and industries as the economy progresses through different phases of the cycle.
