

Mahindra Manulife Arbitrage Fund

(An open ended scheme investing in arbitrage opportunities)

Investment Objective

The investment objective of the Scheme is to generate income by predominantly investing in arbitrage opportunities in the cash and derivatives segment of the equity market and the arbitrage opportunities available within the derivative segment and by investing the balance in debt and money market instruments. However, there can be no assurance that the investment objective of the Scheme will be achieved.

Fund Features

Relatively lower risk as arbitrage strategy focuses on protecting downside risk by capturing market spreads

Better tax efficiency on returns compared to short term debt funds

One of the least volatile hybrid schemes that is suitable for investment across market cycles
