**Aim to move forward with
4 advantages of ELSS**

Why invest in this Scheme ?

Tax benefit with deduction under
Section 80C of Income Tax Act, 1961*

3-year lock-in period to
maximise growth potential

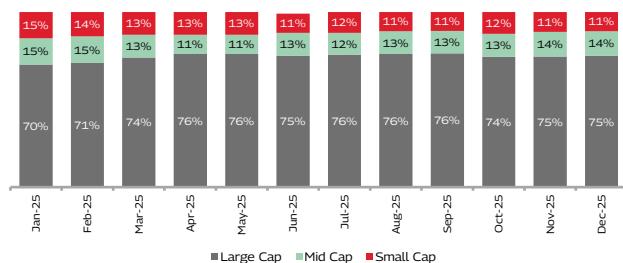

Potential Capital Appreciation
through a diversified equity portfolio

*Assuming investor uses the entire ₹ 1.50 lac limit available under section 80C of the Income Tax Act 1961 for investing in Mahindra Manulife ELSS Tax Saver Fund. The tax benefit is calculated on the basis of current applicable tax rates under the old regime, ignoring marginal relief on surcharge, if any, for net taxable income between ₹ 50 lacs and ₹ 1 crore. The Finance Act 2020 has introduced a new income tax regime at concessional tax rates for individual taxpayers. However, the option for such concessional tax regime requires the taxpayer to forego certain solicited deductions including deduction u/s 80C of Income Tax Act: 1961. Please consult your financial / tax advisor before investing.

Scheme Positioning

- A portfolio of companies with strong industry leadership and high moat.
- A well-diversified portfolio that looks to capture potential long term growth opportunities from across market caps.
