## Mahindra Manulife Value Fund

(An open-ended equity scheme following a value investment strategy)

January 30, 2026

### Why invest in this Scheme ?

#### Markets (Asset Allocation):

Transitional crisis or uncertainties may create opportunities in the broader markets.

Markets become cheaper, allowing for a potential increase to equity allocation across market caps in portfolio and vice versa.

#### Sectors:

Temporary changes such as price shocks in raw materials, international disruptions, government policies, regulatory changes etc.

These factors may tend to hurt near term profitability and valuations without changing longer term dynamics of the sector.

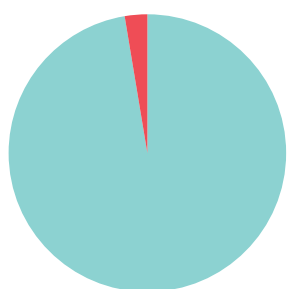

#### Individual Stocks:

Short term issues (on pricing, demand-supply margins), management changes, regulatory matters and business turnarounds.

Unlocking value through restructuring, mergers and acquisitions.
