to empower your money.

Mahindra Manulife Multi Cap Fund

(Multi Cap Fund- An open ended equity scheme
investing across large cap, mid cap, small cap stocks)

October 31, 2025

Why invest in this Scheme ?

Prudent portfolio of investments
across companies and sectors.

Actively managed by professional fund
managers for potential long term capital
appreciation.

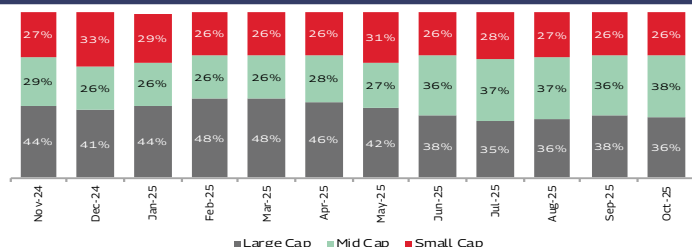

Opportunity to participate in
successful businesses through
equity market.

Scheme Positioning

- A well-diversified portfolio of companies having demonstrated industry leadership and scalability leading to high earnings growth potential.
- The portfolio will tap into emerging growth opportunities from across sectors stemming from under penetration, structural market share shifts and technology driven changes.

12 Month Market Capitalization Trend (% to Equity Holdings)

Scheme Details

Investment Objective:

The investment objective of the Scheme is to provide medium to long term capital appreciation through appropriate diversification and taking low risk on business quality. The diversified portfolio would predominantly consist of equity and equity related securities including derivatives. However, there can be no assurance that the investment objective of the Scheme will be achieved.
